RECOMMENDATION OF MSMEs WITH CERTIFIED PRODUCTS FOR FINANCING BY THE BANK OF INDUSTRY (BOI)

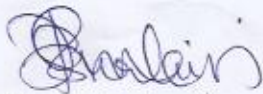

I am directed to inform you that following discussions with the Bank of Industry (BOI), an agreement was reached to the effect that MSMEs whose products have received SON's certification would be forwarded to the BOI for consideration of financial support. The purpose is to further enhance the capacity of the companies to meet the requirement for expansion and sustenance for the manufacture of quality products. It is to be noted that the entire process with the BOI is totally personal and dependent on your need and willingness to subscribe to the support and does not in any way imply SON as a guarantor of the funds subscribed or to be subscribed.

2. It is worthy of note that the acceptance of the BOI for the promotion of the process is entirely hinged on their confidence on the performance capabilities of Companies with SON's certification. It is in furtherance of this, that I am directed to inform you that your company was amongst the third batch of One Hundred and Eighteen (118) MSMEs who were recommended to the BOI as per the above brief.

You are however at liberty to advance the discussions as you may deem fit when contacted. Any further clarification from the undersigned can be sought through: 09069924871, 08033390748 or ophebby@yahoo.co.uk, smesdesk@son.gov.ng.

3. While looking forward to your kind feedback, please, accept the best regards of the Director General/Chief Executive.

Phebean O.S. Arumemi (Mrs.)

For: Director General/Chief Executive
